Public Comment:

Shirley Sallmen, Old Princeton Road, asked what happened with all the money that was stolen, since the amount is now lower than it was at the beginning. Mr. Burick said some of the initial amount was payroll and GNC deductions, and Solicitor Louis Perrotta is working on the legal end of the bond.

Marshal Presnar, Circle Drive, asked if anything is being done about the committee Brandon Rishel has been asking about. Mr. Burick said the supervisors are talking with other townships.

Gale Tillia, Harmony Baptist Road, asked if the new sewer lines are going to be videotaped.

Brenda Phillips, Highview Drive, asked who the new EMA Director is, and asked the status of the START committee. Mr. Burick said Justin Data is the new EMA Director and he met with him last Wednesday. David Rishel said the fire department has two masks for animals that were donated by Attorney Susan Papa. Mr. Burick said he had no involvement with START or had no knowledge of it, but he will look into it.

Mr. Dave Brooks, Douglas Drive, asked where he votes. Mr. Burick said the County handles that.

Manny Weinschenk, Pennsylvania Avenue, said the edges of Pennsylvania Avenue are terrible. Mr. Riley said the township has its own machine and they will berm it, and will be tarring and chipping next year.

Jodi Johnson, Countyline Road, Hickory Township, said her road needs to be widened because the trucks are destroying her property. A discussion was held at this time regarding the situation on Countyline Road. Mr. Riley said the supervisors will try to work something out.

Fire Chief David Rishel said one of the firemen, Shawn Adams, has cancer and he needs 100 units of blood and there is a blood drive on Monday, August 17, from 2 p.m. to 7:00 p.m. and encouraged anyone who could to attend and donate.
