A) If any structure is deemed to be a "dangerous building"

within the standards set forth in Section I-B-3 of this Ordinance, the Board shall forthwith cause written notice to be served upon the owner, occupant, lessee, mortgagee, agent and all other persons having an interest in said building as shown by the Deed of registration in the Recorder's Office of Lawrence County, Pennsylvania, of any such dangerous building.

B) The Notice required by this Section shall be served personally upon the owner of a dangerous building if the owner resides in the Township or personally upon his agent if such agent resides within the Township. If personal service as required herein cannot be obtained or if the owner resides outside of the Township, such Notice shall be sent to the owner of a dangerous building by Certified Mail at the last known address thereof.

C) The Notice shall identify the building or structure deemed dangerous and contain a statement of the particulars which made this building or structure a dangerous building and an order requiring the same to be put in such condition as to comply with the terms of the order of this Ordinance, provided in any case where the Notice prescribed the repair of any structure, the owner thereof shall have the option to remove such structure in lieu of making the repairs thereto within the above time limits.

D) Such Notice shall require any person notified to repair, vacate or demolish any building to commence the work or act required

by the Notice within ten (10) days of such notice and to complete such repair removal within fifty (50) days of the receipt of such Notice.

E) The Board shall cause to be placed on all dangerous buildings a Notice reading substantially as follows:

"This building has been found to be a dangerous building by the Board of Supervisors of the Township of Shenango, Lawrence County, Pennsylvania. This Notice is to remain on this building until it is repaired, vacated or demolished in accordance with the Notice which has been given to the owner, occupant, lessee, mortgagee or agent of this building. SECTION VIII. EMERGENCY CASES.

In cases wherein it reasonably appears that there exists an immediate danger to the life or safety of any person caused or created

by a "dangerous building" as defined herein, the Board shall cause the immediate repair, vacation or demolition of such dangerous building.
