The Fire Department had sent out letters asking for donations, from which they received \$37,000.00 and were able to purchase 10 new air packs.

Fire Chief David Rishel gave the monthly Fire Department report.

Public Comment:

Bill Cheslock, Old Princeton Road, said the water intake is plugged up at the pond on Countyline Road and we are going to lose the road if something is not done.

Mr. Burick said there will probably not be two meetings in March, it was just listed on the schedule of meetings in case we needed one and so we would not have to advertise another one. Mr. Rishel said there is not a day that goes by that two employees of the Public Works department do not spend eight hours just working on potholes.

Marisa Biddle, Savannah-Gardner Road, spoke about the condition and closure of her road due to the ongoing construction there. Mr. Rishel said the supervisors have met with RAR Engineering and the Water Company and it has been addressed, but until there is dry weather, they are doing the best they

can. Ms. Biddle asked if the 9-1-1 Center is made aware of the closures in the township. Mr. Rishel said the 9-1-1 Center is updated every day.

Lisa DeSantis, Pennsylvania Avenue, she would like to see charges filed against Deno DeLorenzo, then she spoke about her feelings regarding the sewer project and the Sanitation Department. Solicitor Perrotta said the Township does not pursue criminal charges, it pursues civil remedies.
