RESOLUTION

Moved by Robert L. Smith, seconded by

Herbert Bentrim that the following Resolution to set a time and place for a hearing to consider a proposed amendment to the Shenango Township Ordinance No. 1967-6 be adopted:

WHEREAS, the Supervisors of Shenango Township, Lawrence County, Pennsylvania, have determined that the minimum charge per month of a 5/8 inch or less meter needs to be increased from the present charge of \$2.46 to \$3.50, and

WHEREAS, the Supervisors of Shenango Township have determined that Section 4 of said Ordinance should be amended to read "all persons connected to the sanitary sewer but having an independent water supply shall be metered at the above rates, and such persons shall furnish, install and maintain a meter on their independent water supply at no expense to the Township of Shenango.

NOW, THEREFORE, BE IT RESOLVED, that a public hearing be and is hereby set for Friday, ^{Nov.} October 1, 1968, at 7:00 P.M. o'clock, P. M., at the Shenango Township Municipal Building, 900 Allegheny Avenue, Shenango Township, Lawrence County, Pennsylvania, to consider the following proposed amendment to the Shenango Township Ordinance No. 1967-6:

That Section 1 be changed so that the minimum charge per month for a 5/8 inch or less meter be changed from the present \$2.46 to \$3.50 so that Section 1 shall read

Size of Meter	Minimum Charge Per Month
5/8 inch or less, or per dwelling unit when two or more dwelling units are serviced through one meter.	\$3.50

Section 4 shall be amended to read as follows: "Section 4. All persons connected to the sanitary sewer but having an independent water supply shall be metered at the above rates, and such persons shall furnish, install and maintain a meter on their independent water supply at no expense to the Township of Shenango."

Two new Sections shall be added as follows:

"Section 21. Where two or more families or dwelling units receive water through one water meter, multiple minimum sewer service charges shall be billed for each family or dwelling unit and charged to the owner of said dwelling units who shall be responsible for the payment thereof based upon said multiple minimum sewer service charges or the charge based upon the actual water used through the one meter, which ever is greater."

"Section 22. Dwelling unit shall mean any room, group of rooms, enclosure, etc., occupied or intended for occupancy as a separate living quarters by a family or other group of persons living together or by persons living alone. Each dwelling unit in a double house, in a row of connecting houses, in a trailer park or in an apartment shall be treated as a separate entity for sewer service charge purposes."
