PRESS RELEASE FOR MARCH 16, 2020

COVID-19 – Shenango Township Facilities

Out of an abundance of Caution and to promote social distancing for residents, the township employees, and first responders in the Shenango Township Municipal Building, the municipal offices and Shenango Area Fire District locations will be closed to all non-essential business to prevent potential indirect exposure.

At this time walk-in and non-essential services will be suspended, all essential services such as Police coverage and Public Works services will continue to operate as normal. Township staff will be maintaining regular business hours throughout the closure, and anyone who needs to do business with the Township can reach office staff at 724-658-4460.

Those needing to drop off materials and pay taxes may still do so using the respective drop boxes, or using the US Postal Service. When interacting with the Fire Department, Police Department and EMA/Code Enforcement we ask that any issue that can be handled over the phone and without face to face interaction be done in that manner.

The Shenango Township Community Park will remain open at this time, we request that users follow CDC guidelines, and no more than 50 people at an event at one time.

Shenango Township is working with and following state and federal officials' directives with this Pandemic event. More information can be found at www.cdc.gov and www.health.pa.gov
