PRESS RELEASE FOR DECEMBER 7, 2020

Shenango Township Santa Claus Event

The Shenango Township Board of Supervisors has been forced to cancel this year's Christmas Tree lighting event due to the ongoing Coronavirus pandemic; however, the Board of Supervisors would still like to promote the holiday season in other ways. So, the Shenango Township Board of Supervisors and the Shenango Area Fire District are happy to announce that we have signed Santa Claus to a one-day exclusive contract, and Santa Claus is coming to Shenango Township. This event is scheduled for **Friday, December 18th from 5pm-8pm**. Santa Claus will take a similar but abbreviated route (planned route attached) that the Easter Bunny took this past April. Santa Claus invites children of all ages to come out of their homes and wave to him as he rides by in a fire truck. Unfortunately, the Shenango Area Fire District does not have the same magic as Santa's reindeer, so it is impossible for the fire trucks to make it down every road in Shenango Township, and the route is limited to through roads and streets with cul-de-sacs large enough to easily turn a fire truck around in. So, if you don't see your street on this list, Santa invites you to see him at Lawrence Village Plaza, Shenango Square Plaza, or the Giant Eagle Plaza. For more information, please call the Shenango Township Municipal Building at 724-658-4460

Shenango Township Board of Supervisors
